SIR,

I have the honor, with reference to article 450(a) of Mysore Service Regulations, to submit for the orders of Government the pension application of Mr. B. Rajagopal Naidu, late District Medical and Sanitary Officer, Chitaldrug, and to state that the Retired Officer has put in a total service of 22 years, 9 months and 6 days.

Mr. B. Rajagopal Naidu began his service as a Sub Assistant Surgeon which was a non-gazetted appointment and has rendered a non-gazetted service of five years ~~and four~~ eleven months and 27 days. The service register of the officer for his non-gazetted service is stated to be not available with the department and is also not found filed in the records of this office. Baraward extracts were therefore called for to verify the continuity of service in the absence of the service register. The Senior Surgeon has replied that the salaries of these non-gazetted officers were personal which were being drawn on separate bills in those days and as such baraward extracts too, could not be sent. The audit registers and vouchers of the period being time-barred are also not available in this office. Verification with reference to the annual schedules of establishment, however discloses that the officer was in service during all the years. As however, such verification has presumably been done before the inclusion of the period in the History of Services of
